

Mike Preis Insurance is excited to announce the merger of our office spaces on September 27th!

Our renovations are complete in our Jeffersonville office and our staff is excited to move into this new space. We are looking forward to all of our employees being in one place, to better serve our customers and communities.

In preparation of re-opening our Jeffersonville office, we will be closed on Friday, September 24th to complete our move.

While we are working hard to get unpacked and ready to go, please visit our website at www.mikepreis.com for claim and payment information.

We will open for business by phone and email on Monday, September 27th and the Jeffersonville office will be open for walk-in business on Tuesday, September 28th.

While we will still remain local, we will miss seeing all of our Callicoon friends that we've made over the years! We are still dedicated to providing you with the best service possible. Please don't hesitate to stop by our newly renovated location to say hi!
